Welcome - Kids Chance of Nevada (KCON) Board of Director Member!

Please know that I am excited to work with you this year and beyond grateful that you have chosen to volunteer your time with (KCON).

Over the last few years we have continued to build awareness within our workers compensation community about what KCON is and who we are able to award scholarship money to. In doing so we have gained more recipients, potential recipients and supporters.

I look forward to seeing what incredible progress we are able to achieve in 2022 with your assistance.

Sincerely,

A handwritten signature in black ink that reads "Rosemarie McMorris-Alexander".
