Hi Yessenia,

Thank you for taking the time to chat with me this afternoon.

I am happy to hear and proud to know that you are still on track for graduation this semester.

As discussed, please do forward confirmation of graduation and information as it relates to your student loan, so we may process the reimbursement.

I have copied here our KCON President (Edith), scholarship committee (Catherine) and Treasurer (Kim).

Thank you !

Rosemarie McMorris
KCON Vice President
